## GUIDELINES

You are responsible for your own displays, props, tents, ashtrays, trash, etc...You are also responsible for the clean-up of your area. All trash needs to be bagged and placed in designated areas.

Set up begins on Friday, Aug 26th, 9am-12:00pm. You may disassemble your area after 5:00pm on Sunday. You must receive permission from event organizers to leave prior. Leaving early jeopardizes future acceptance to our events.

Although security will be provided, the Starke Bike Fest will not be responsible for any damages, theft, or any other problems during the festival including weather conditions. Furthermore, you hereby release and discharge the county of Bradford, the City of Starke, the North Florida Regional Chamber of Commerce, and Main Street Starke, Inc. and its affiliates from any responsibility, personal injury, loss, damage or vandalism in connection with the Starke Bike Fest.

Rain happens...especially in Florida! The crowds may stop for a moment during the rain, but they will pick back up again as soon as the rain subsides. We will be eating, drinking, shopping and rocking either way. If this is not acceptable to you as a vendor you may want to reconsider registering for this OUTDOOR EVENT. We strongly believe the show must go on.

### **NO REFUNDS FOR CANCELLATIONS**
